

THE KONNECT PACKAGES: STANDARD INFORMATION SHEET

Updated: 01/02/2023

The Konnect Packages	Konnect Starter	Konnect Lite		Konnect Plus	
Package Description	The Konnect Satellite Internet Packages allow access to fixed satellite internet services via any of the EUTELSAT satellites network. This Service is provided exclusively to your installation address.				
Eligibility conditions	The availability of the Konnect Satellite Internet Packages in the Republic of Ireland is subject to coverage verification. The subscription to Konnect Satellite Internet Package is reserved for private customers over the age of 18. These Packages are for home use only.				
Conditions of access to the Service	To benefit from one of the Konnect Satellite Internet Packages, it is essential to be provided with, to install and to activate a satellite kit compatible with any of the EUTELSAT satellites. This kit (called the " Konnect Equipment ") is made available by Eutelsat S.A. in the context of a subscription to one of the Konnect Satellite Internet Packages. Regarding the accessibility of the Service, it is also necessary to take into account: <ul style="list-style-type: none"> - Possible geographic obstacles to the reception of any of the EUTELSAT satellites network. - Possible legal obstacles to the installation of the equipment necessary to receive any of the EUTELSAT satellites network.

Additional fees	<ul style="list-style-type: none"> - €35 Inc. VAT Activation fee, payable upon order of the Konnect Service. - €15 Inc. VAT Shipment fee, payable upon order of the Konnect Service. - €299 Inc. VAT for the standard Professional installation of which: (i) Eutelsat S.A. will pay €150 Inc. VAT and You will pay €149 (in all cases additional fees may be applicable at Your expense (subject to quote) in case of a "non-standard" Professional installation). Standard Professional installation depends on the access possible for the installation and its complexity, but it does not depend on the number of hours required to complete the installation. Standard Professional installation also depends on the positioning possible to install the antenna:				

	<ul style="list-style-type: none"> - Building's lateral walls easily accessible with a class-1 ladder (up to 130Kg load); - Roof accessible from the building's stairs or with a class-1 ladder (up to 130Kg load) with mounting fixed to the exterior wall, wall or parapet, roof surface or ground; - Ground-floor with concrete base with good satellite visibility; - Distance of cable routing - 30m with a standard Konnect Equipment cable. The routing of the cable must be satisfactory and achievable. <p>To find out more about the types of non-standard Professional installations and the fees associated, please consult our "Contractual Conditions of the Service" and "Konnect Tariffs and Fees Guide".</p> <ul style="list-style-type: none"> - A Reservation fee of € 9,99 Inc. VAT per month may arise in the case You ordered the Self-Installation and have not installed the Konnect Equipment or activated the Package within six (6) weeks upon delivery of the Konnect Equipment, from the delivery date until the day of activation or cancellation of the Package by Eutelsat S.A.. - Early termination fees during the commitment period are calculated according to the number of months left of the commitment period (see details below). 			
<p>Commitment period</p>	<p>The Konnect Satellite Internet Packages are for a period of eleven (11) full months plus the <i>pro rata</i> of the month during which Your Service was activated. Then renewed monthly.</p>			
<p>Changing Package</p>	<p>You can freely change your Package at any time, it being specified that if You are still in Your initial commitment period, its duration will not be affected.</p>			
<p>Characteristics of Satellite internet</p>	<p style="text-align: center;">There is no maximum monthly volume of data for each Package.</p> <p>However, each Package contains a set data allowance. If You exceed this data allowance, it may impact on upload/download speeds, in particular depending on the potential congestion on, and conditions of the EUTELSAT satellites network during use by the Subscriber, the speeds shown for the Packages not being guaranteed.</p> <table border="1" data-bbox="438 1451 1505 1568"> <tr> <td style="text-align: center;">Konnect Starter 50 GB Data allowance</td> <td style="text-align: center;">Konnect Lite 75 GB Data allowance</td> <td style="text-align: center;">Konnect Plus 150 GB Data allowance</td> </tr> </table> <p style="text-align: center;">Additional information</p> <p>The volume of data consumed between 01:00am and 06:00am local time is not counted and is not deducted from the data allowance.</p> <p>The volume of data from the data allowance not consumed within one (1) month is not carried over to the following month (please note that same rule applies for the Data Top-ups: the data purchased need to be used before the end of the calendar month during which they are activated; it will not be carried over to the following month).</p> <p>To view Your consumption, login to Your "My Konnect" Customer Portal.</p>	Konnect Starter 50 GB Data allowance	Konnect Lite 75 GB Data allowance	Konnect Plus 150 GB Data allowance

	10Mbps min. download speed	25 Mbps min. download speed	50 Mbps min. download speed
	And 0,5 Mbps min. upload speed		
	The speeds stated constitute theoretical speeds depending on various factors, in particular Your use, Your location, a compliant installation, the absence of exterior influence (e.g. obstacles), use of the network by other Users, simultaneous connection to Your Services, the background tasks using Your connection, the configuration of Your computer, Your network or Your home, application used, etc., and may be reviewed regularly by Eutelsat S.A..		
	Latency	Latency shall be lower than 800 milliseconds and Packet loss is expected to be lower than 1e-1 in nominal conditions. Both these measures depend on several factors, including (non-exhaustive list), the quality of installation, performance of the Konnect Equipment, local configuration on Your devices or applications, status of contention or congestion of the satellite network. Jitter is expected to not exceed a value of 40 milliseconds.	
Limitations linked to video	Applications using video streams, such as streaming online or video on demand (VOD) are subject to a limitation applied by Eutelsat S.A., which limits the quality of the video being viewed by the Subscriber. This means there is a maximum quality that that the Household or family can achieve for one video stream with its Konnect Package (depending on the Package purchased), without guarantee.		
	Maximum video viewing quality:		
	Konnect Starter	Konnect Life	Konnect Plus
	HD Ready definition (720p)	HD Ready definition (720p)	Full HD definition (1080p)
Other uses	For information:
